

Accounting Supervisor

THE COMMUNITY

Ontario is a progressive city located in southwestern San Bernardino County, California, 35 miles east of downtown Los Angeles and 23 miles west of downtown San Bernardino. Located in the western part of the Inland Empire metropolitan area, it lies just east of Los Angeles County and is part of the Greater Los Angeles Area. The population is approximately 180,000. With sunshine and a temperate climate year around, Greater Ontario is local to all things Southern California- from the mountains to sea, deserts to vineyards, and wide-open spaces; yet still close enough to urban centers, making the City a desirable destination. The City itself offers an array of restaurants and nightlife, an international airport, shopping, major sports venues, and semi-pro athletic teams. The City of Ontario boasts all the amenities of Los Angeles and Orange Counties without the expense, hassle, and traffic. With a highly skilled workforce, reasonable lease rates, quality office and retail development, and more than 130 million square feet of industrial, manufacturing and distribution space, Ontario is an incredible community for business. Ontario is known as the "Gateway to Southern California." With three major interstates, two railroads and the Ontario International Airport, the City of Ontario offers direct access from Los Angeles to the rest of California, and to North America.

CITY GOVERNANCE

The City provides a full range of services to the community including Police, Fire, Management Services, Community Life & Culture, Community Development, Economic Development, Public Works and the Ontario Municipal Utilities Company. The City's team is staffed with approximately 1,517 full-time diverse and talented employees who work to support a common goal of providing excellent service to the community. The City of Ontario operates under the council-manager form of local government. The five members of the City Council are elected by the citizens as the legislative, policy-making branch of City government; and the City Manager is appointed by the City Council to implement policy and manage day-to-day operations. All Council Members serve at large and serve four-year terms. Every even-numbered year, either the Mayor and two Council Members or two Council Members, the City Clerk and City Treasurer stand for election. The Council Members also sit as the Commissioners of the Ontario Housing Authority.

Exciting times are ahead for the City and its two Accounting Supervisors. With newly acquired staff, the two Accounting Supervisors will lead and develop the Accounting Division. The responsibilities include implementing and ensuring internal controls are actively utilized so that each department complies with all applicable state, federal, and local laws. The Accounting Supervisor will monitor how each department uses general funds, special revenue, capital project, enterprise, internal services, and agency funds. This is essential during the City of Ontario's time of robust growth, ensuring sustainable development as the City expands by acquiring new and exciting assets such as the Regional Sports Complex. With the U.S. Census Bureau's prediction that the City of Ontario will double its population by 2035, the Accounting Division will play a crucial role in managing the City's finances.

The individual selected to assume this position will be expected to:

- Foster a work environment that encourages communication, team collaboration, employee development and growth; and motivates high performance and accountability.
- Assist in developing and implementing strategic plans, policies, and procedures.
- Cultivate new and continuing relationships with colleagues and key stakeholders and support the City's fiscal growth.

THE IDEAL CANDIDATE

The ideal candidate will be a positive and collaborative leader with effective decision-making skills who will be dedicated to working with the management/supervisory team to build a growing accounting team in a city that is experiencing exciting economic growth. The ideal candidate must have a strong understanding of Governmental Accounting Standard Board Statements and be an expert in financial analysis, implementation, maintenance of accounting systems, process improvements, and public audit. They should also embody the values of our City's Approach to Public Service, including commitment to the community, excellence through teamwork, and doing the right thing the right way. This position requires the ability to manage a fast-paced work environment and be hands-on when necessary, particularly with more complex projects. Experience with different funding sources and revenues is a must, such as community facilities districts, municipal utilities, development impact fees, grants, and housing authority. The successful candidate will be able to inspire, motivate, and empower staff while also serving as a model for Ontario's workforce. They will encourage teamwork and collaboration to ensure high performance and quality project deliverables.
