THE COMMUNITY

Ontario is a progressive city located in southwestern San Bernardino County, California, 35 miles east of downtown Los Angeles and 23 miles west of downtown San Bernardino. Located in the western part of the Inland Empire metropolitan area, it lies just east of Los Angeles County and is part of the Greater Los Angeles Area. The population is approximately 180,000. With sunshine and a temperate climate year around, Greater Ontario is local to all things Southern California- from the mountains to sea, deserts to vineyards, and wide-open spaces; yet still close enough to urban centers, making the City a desirable destination. The City itself offers an array of restaurants and nightlife, an international airport, shopping, major sports venues, and semi-pro athletic teams. The City of Ontario boasts all the amenities of Los Angeles and Orange Counties without the expense, hassle, and traffic. With a highly skilled workforce, reasonable lease rates, quality office and retail development, and more than 130 million square feet of industrial, manufacturing and distribution space, Ontario is an incredible community for business. Ontario is known as the "Gateway to Southern California." With three major interstates, two railroads and the Ontario International Airport, the City of Ontario offers direct access from Los Angeles to the rest of California, and to North America.

CITY GOVERNANCE

The City provides a full range of services to the community including Police, Fire, Management Services, Community Life & Culture, Community Development, Economic Development, Public Works and the Ontario Municipal Utilities Company. The City's team is staffed with approximately 1,500 full-time and 300 part-time diverse and talented employees who work to support a common goal of providing excellent service to the community. The City of Ontario operates under the council-manager form of local government. The five members of the City Council are elected by the citizens as the legislative, policy-making branch of City government; and the City Manager is appointed by the City Council to implement policy and manage day-to-day operations. All Council Members serve at large and serve four-year terms. Every even-numbered year, either the Mayor and two Council Members or two Council Members, the City Clerk and City Treasurer stand for election. The Council Members also sit as the Commissioners of the Ontario Housing Authority.
